About WAP

THE 9TH WINDOWS ART PROJECT

is built on the complementary ideas of creativity and community, both of which are in abundance in Somerville. Conceived by Somerville artists Susan Berstler and Lauren O'Neal, WAP made its debut in 1995. This is the first year the Arts Council has produced WAP in Union Square.

UNION SQUARE AFFAIR CLUE # 1

Head toward SCAT and your adventure has just begun
You're just steps away from a treasure hunt of fun!
The first stop's a GRAND place for coffee and scone;
We could see how this place could fast become home!
(Give up? Head to 61 Union Sq.)
